*March on the spot, keeping a regular pulse (use drums if possible)
Organise soldiers into squads, with a commanding officer(s) receiving
the salutes*

1. Marching, marching,
 We are marching soldiers.
 As soldiers we always obey.
 OK! Yes Sir!
 Obey, right away! *(Salute together)*

2. Marching, marching,
 We are marching soldiers.
 We carry out our orders right away.
 OK! Yes Sir!
 Obey, right away! *(Salute together)*

3. Marching, marching,
 We are marching soldiers.
 We follow our leader every day.
 OK! Yes Sir!
 Obey, right away! *(Salute together)*
